A Message From The Principal...

Holidays

It is hard to believe that we are half way through the year! So much seems to have happened in that time! When I first moved to Darwin, I did not really know what to expect as I had never even visited here before. While I was excited about the move, I was also somewhat cautious about making any long term plans for obvious reasons. Since then, I have rented an apartment in the city, rented a house in Leanyer and absolutely fallen in love with the place. My husband and I have now purchased a home in Nightcliff, so we are definitely here long term. We thought we had become empty nesters too as our three kids, aged 20, 21 and 22 were all embarking on their own journeys in different parts of the country. However, they too have fallen in love with Darwin, two have already moved up here and the other will arrive in October. Our home for two has once again become a home for five! I thank you all for your kindness and support during my first six months and look forward to continuing to get to know each of you in the future. I hope you have a wonderful holiday! There is an article below which is well worth a read on how to get through the holidays, particularly when both parents work.

Staffing

As many of you know, Gail McKillop has been on Long Service Leave over the past term. In her absence, Jeannie Cook has been teaching the Year Five and Six class. The students have all settled into very strong routines with Jeannie and it is because of this that we have decided to keep Jeannie in the class for the remainder of the year to maintain consistency. We are looking forward to welcoming Gail back next term. Gail will be performing other teaching duties at Holy Family for the remainder of the year. Dani Stacey will be commencing Maternity Leave at the end of this term. We have employed Jen Roberts to replace Dani for the remainder of the year.

Jen has already met with the team and will be working with them over the holidays to enable a seamless transition for all. We welcome Jen to the Holy Family community and wish Dani all the very best for this exciting new chapter!

Racheal Joyce has been seconded to the Catholic Education Office for six months as an Inclusion Support Leader. Racheal will be working with different schools across the Diocese, one of which is ours. This is a wonderful opportunity for Racheal and a testament to the fantastic work she has done here. Racheal will work closely with the new Inclusion Support Coordinator at Holy Family for the next six months. We are in the process of employing a suitable candidate for this position.

Birthdays

As COVID restrictions have now lifted, we are in a position where we can now celebrate birthdays with small treats. After discussion with the Board and Staff, the following must be followed to avoid too much disruption in class and to take dietary requirements and allergies into account:

1. Only one, single item may be brought to be shared ie cupcakes or icy pole (There is to be no lolly bags or cakes that require cutting – these will be sent home if they are brought to school)
2. Teachers must be given a week's notice so that students with dietary requirements or allergies can be catered for .

End of Term Prayer

We thank you for the many blessings we have received this term. We voice our gratitude for the good things you have done in us, and we praise you for all who have shared in the work of our school.

We ask you to please bless all of our learners,
their families and our staff,
And give them refreshment and peace during these holidays.
Amen

Reports

Reports have been emailed to all families today. This is a great opportunity to reflect on your child's learning, celebrate their successes and help them to articulate goals for the term to follow. If you have any questions or concerns regarding your child's progress, please do not hesitate to contact their teacher.

Year 5 and 6 Camp

It was an absolute pleasure to be a part of the Year Five and Six camp this year. The camp would not have been the success it was without the organisation and support from the Staff. The students were an absolute credit to you in the way they conducted themselves and represented our school. They embraced all experiences with enthusiasm and interest. The Batchelor Outdoor Education camp staff also acknowledged their beautiful manners.

Family Intentions

One thing I have learnt in my short time in Darwin is that it can be quite a transient place. Recently, we have had a number of enrolment enquiries and actually have a waiting list in some levels. If you are planning on moving on next year, could you please advise the office as soon as possible as this will help us with future planning.

FRIDAY 24TH JUNE
11AM - 12.30PM

Dear Parents/Guardians,

This Friday is our Crazy Colour Day and is our major fundraising event for the year! We're holding it to raise much needed money for sport and drama equipment. A permission note has been sent to parents via Operoo. Parental approval must be given in order for children to participate.

Fundraising

It is not too late to start fundraising. Create a profile on the website and send the link to families and friends.
<https://www.schoolfundraising.com.au/>

Competition Time!

Get ready to colour bomb the principal and leadership team! The three highest money raisers will colour bomb the Mrs Garbutt, Miss O'Shea and Mr Walter at our colour day. The class with the most money raised will get a pizza lunch in Term 3, and the teacher of that class will get a week off yard duties!

Prizes

On top of raising more money for the school, students who raise just \$10 will be able to choose a prize! They can start ordering from the 22nd July right through until 29th July. Remember, ordering online is the best way to ensure you get what you'd like, we are not taking any cash.

What should my child wear to the event?

Students should wear white or light sun safe clothing to get the most colourful experience. Its best to also run in old running shoes. Always remember to Slip, Slop, Slap, Seek and Slide!

As we have a school mass at 9.30am, students are asked to come to school in their full uniform and get changed into their white clothes during recess.

What should my child bring to the event?

A few things you should pack are:

- A Water Bottle
- Hat
- A Change of Clothes
- Sunscreen
- A Towel
- Snacks
- Sunglasses/goggles (if preferred)
- A pair of Joggles

Parents are most welcome to come along and join in the fun. Hope to see you there!

Batchelor Outdoor Education Camp Recount

by Dessa Reardon, Erin Reyes and Zara Peachey

The Hive students at Holy Family were lucky enough to attend a school camp at the Batchelor Outdoor Education Centre (BOEC). It was a three day trip and we had lots of fun during our time there and made new friends or strengthened our already existing friendships.

On the first day we set off at around 9:30am and arrived at BOEC at around 10:30am and were treated to a nice morning tea when we got there. After we finished our morning tea, we were assigned our group numbers and our cabin arrangements. I was assigned to Group One (the best group) and was told to take my belongings to the Pink Block where I shared a room with Erin and we all unpacked our things. The accommodation was ok, but we got the short end of the stick because there were rooms that had air conditioning and were bigger, but then again a small room with two single beds and a fan is ok and still nice. After that we got our activity plan for the day and we started with Bush Survival (by far the best activity in my opinion) where we saved a guy named 'Old Man Ricky', built a stretcher and shelter, made two-minute noodles, and got soaked by Mr. Walter and Mr. Brodie who had water pistols, in which Mr. Brodie used them to completely ignore the rules and shoot at us in the safe zone. >:(

On the second day of camp we got up at around 6am and the majority of the kids were running around and having lots of fun. At approximately 7:00am Mr Walter called us all over for breakfast and we had cereal with toast and watermelon. Once everyone had finished eating and had sunscreen on, the instructors started telling us what activities we were doing and my group was doing rock climbing first which I got to demonstrate climbing the pink wall. After rock climbing we had morning tea and for morning tea we had coco chocolate crackles and watermelon. After morning tea my group had archery and we had to be in groups of five and my group had Dessa, Amelia, Katerina, Cloe and myself and our group's name was Bullseye (none of us hit the bullseye though) and I fired nine arrows and only one of them hit the target.

On our third day of camp we had to pack up because we were going to leave at 1pm. Most of the Hive students were awake at that time because some girls were knocking the doors at the boy cabins which made it stressful for some people to sleep (ding dong ditching); though when morning came the girls got in trouble and were told not to do it again. After that incident everyone had to clean their cabins and pack their stuff, we then had to carry our heavy bags near the entrance. Then we had a few minutes of free time. Some people went to play volleyball (footy-tennis as they called it) while others would do something else. I played UNO with Dessa and a couple others then we had breakfast which was bacon, egg, beans and toast. We then got sorted into our groups and were assigned to our last activity of the day. Around 12pm we had a thank you speech. Dessa and I were doing great and all until I made a mistake which was 'Camp would've been so much better without you guys!' when I meant to say 'Camp would not have been much better without you guys!' which made the whole cafeteria laugh. Then we had to thank everyone which I really enjoyed. Then the bus had arrived then we had to leave.

Overall the trip was really really fun and we made a lot of funny memories and told each other scary stories and Batchelor rumours of haunted rooms, ghosts and witch spirits. Also on my bus Mr. Walter warned us if anyone fell asleep on the bus ride back he would take a picture of us, and what do you know, HALF THE BUS FELL ASLEEP. So now the teachers have something to bribe us with...but it was a very rewarding camp in my opinion! :D
