## A Message From The Principal...

### **Athletics Carnival**

Tomorrow is the big day for our Athletics Carnival. Events start at 8.30am for the whole school with field events for Years 3 – 6 and Tabloids for our younger years (who will finish at recess). Our older students continue until lunch time (with the exception of 12 year old boys age group who will continue after lunch).

We do encourage you to pick up your children at lunch and take them home for a rest before we gather at 4.45pm for a 5.00pm start for our running races (Sausage Sizzle provided by P&F group). See more information further on in the newsletter.

Looking forward to a great day and see you all tomorrow!

A few things to remember:

- Students are encouraged to come dressed in their House Colours.
- Any parents attending please ensure you have recently filled out a Covid declaration form (they are available in the front office) and checked in using the Territory Check In App.
- Make sure your children have a hat, water bottle and sunscreen packed.
- OSHC and ELC: Please collect your children before 4.45pm if possible. If you have not, they will be taken over and supervised by our ELC/OSHC staff.

### **Cultural Day**

As part of our Reconciliation Action Plan, the school will be holding a whole of staff Cultural Immersion Day on Monday, July 19 (beginning of Term 3). We need to provide advance notice of this as both Out of Hours School Care (After School Care) and Early Learning Centre will be closed so all staff can participate. This has the support of the Director of Catholic Education, Greg O'Mullane and our School Board.

### **Colour Fun Run**

Our major fundraiser for the year is going great guns with close to \$10 000 now raised! This year, we will be using funds raised to go towards buying new readers, purchasing many, many new non-fiction books and also buying new fiction readers for our library. As we also get matched \$4\$ by the Catholic Education Office for the first \$9 000 that we raise, this event becomes HUGE for putting new resources into our school. So, thank you for getting behind this fundraiser and continuing to raise funds for our school. Don't forget that for every \$5000 raised, students get to choose to 'slime a staff member' and every \$1 000 raised above \$20 000, we get to choose another one! So far, Mr Orlando is up for sliming and we should be choosing our next staff member very shortly!

Exciting times!

### **Colonies for Children**

During the holidays, the Sisters of Nazareth, will be running a workshop for children from 6yrs old til 12 yrs old in the parish. The purpose of the event is to continue to form Christian values, help families to keep children busy during the break and to help children socialise. It will run for two weeks from Monday 5 July to Friday 16 July from 9.00am – 1.00pm and the event will be free. If you are interested, please contact either of us at the parish on 89 275454.

Fr Bords and Fr Petrus

### **Godly Play**

The parish are also advertising a Godly Play Professional Development course. Please see flyer attached to the Newsletter.

# Catholic Identity Sacramental Program

Congratulations to all our students who celebrated their First Holy Communion on Sunday. May you all grow in the light and love that comes from our Lord Jesus Christ. It was a lovely mass and community celebration with a very full church! Thank you to Mr Walter and the Catechists for preparing the children for their special day.

We now look forward to the sacrament of Confirmation for our Year 6 students, which will begin early Term 3.

## Masses & Liturgies

We look forward to our Holy Family Mass, on the last day of Term 2, with Bishop Charles attending as our celebrant. The school also congratulates Father Bords, who was announced as our Parish priest recently.

## Mercy Project

Well done to Room 14 with their amazing efforts at collecting food to donate to Foodbank over the last several weeks. What a wonderful example of following in Jesus' footsteps, taking merciful action in our small part of the world and making a big difference in the lives of those most in need.

## Around the School

### Breakfast in Paris

Last Thursday 3 June Room 12 held Breakfast in Paris. Students had been learning about famous artists and been creating replicas of their masterpieces. The Van Gogh's, Monet's, Da Vinci's and other art works were exhibited in the Louvre Museum near the Eiffel Tower. Parents and families came and enjoyed a breakfast of croissants, baguettes and juice, visited the Louvre exhibition and many purchased the amazing masterpieces raising money for Vinnies as part of the class Mercy Project. Thanks to all who came. A total of \$155 was raised!

# Year 4 Camp

## Day 1 Year 4 Camp – Arabella Dale

Firstly we all came to class and put our stuff in the walkway to O’Loughlin. After assembly we left to go to the Territory Wildlife Park. We got on the bus and after a bus ride that felt long but wasn’t we finally arrived. We set up our tents and Miss did a race of whoever set up their tents the fastest, for pop up tents and build up tents. After, we all had recess we all went to go to the main station where we all travelled in our groups to the wallaby’s walk and the nocturnal house. After separating we came together at the dingoes, they looked so cool! We then walked to the stingray habitat and watched a ranger in the water give us information on barramundi, sting rays and other fish. He fed one type of fish by holding his food over the water where it shot water out of its mouth to knock the food down. We visited the aquarium. It was so cool! It started to get late so we went back to camp and had a little play while we waited for Lucy and Comfort, our camp ranger guides. Lucy was teaching us how to survive if you were to get lost in the bush or a forest. Comfort taught us how to survive a snake bite and to do snake bite first aide. It was so awesome! I loved both of the experiences. However, before Comfort left he brought out this massive snake and its name was Lady Gaga. She was a Territory Carpet Python. We all were able to hold her. Once Comfort and Lucy left we all played this game and it’s called marker up, it is kind of like an AFL game. Cloe and I were the only girls playing! It was such a fun game to play! The sun started to go down so our teachers had us all get ready to shower before dinner. It was so good to have a shower after a long hot day! We had dinner altogether, it was sausages with potato salad. “YUM!” After eating we made our way to the main station to watch the movie Finding Nemo. It was so good to relax and watch a movie with some snacks. Half way through the movie my best friend and I were so hungry we asked the teachers if there were any leftovers from dinner! One of the teachers walked us over but freaked out and screamed when she saw a big fat cane toad jumping across the pathway! So we ran the whole way until we got to the indoor kitchen where the food was kept! OH How yummy the food tasted! We finished our second dinner and went back to the movie but it was almost finished! Once the movie had finished we headed down to the camp ground... We took ages to fall asleep.

## Day 2 of camp year 4 – Aibel Alwin

Everyone woke up really early but we couldn’t get out of our tents because it was still very dark. Then we brushed our teeth and changed and made our way down to breakfast. Breakfast was toast and cereal. Once breakfast was over we sung Happy Birthday to Charlie and Zac who shared the same birthday at camp! We had muffins to celebrate! We were also given a packet of shapes and an apple for recess to put in our backpacks for the morning adventure. Once we packed up we were ready to head to the main station where the guide gave us the spare train for the day and drove us to where we needed to go. We arrived at the Monsoon Forest where we got to observe different species of animals! We also were able to walk through an interactive enclosure where we clicked a button to start some rain. Then we headed over to the Billabong where one of the guides fed the pelicans and gave us information on them. They had four baby fresh water crocodiles! We headed to the flight deck where we watched a show! First was Angel the owl, then the wedged tail eagle, Emu, kite and most of the birds were raptors. When we went back to the campsite we ate lunch and played markers up again whilst waiting for the bus. The bus finally came and we realised it was time to go back to school! When we were loading the bus, everything felt huge and heavy because we were so tired! It was an amazing experience and I didn’t want to go back to school!

# SCHOOL FUN RUN

The annual Parents and Friends Colour Fun Run is on again soon!  
Friday 25th June, 11.00am until 12.30pm (last day of term).

On the day, students will rotate through a range of colourful, wet and slimy activities. For the colour to really stand out, students are asked to wear a white shirt. Parents and families are most welcome to attend and join in the fun.

As we have done in the past, the three highest money raisers on the day will get to colour blast the...

Principal-Mr Donohue

Deputy Principal-Miss O'Shea

Assistant Principal of Religious Education-Mr Walter

This year all the superheroes are busy and cannot attend...instead they have sent us some slime! As fundraising milestones are met, students will nominate staff members to be covered in slime.

Mr Orlando was the lucky (or unlucky) staff member to be nominated when we reached \$5000 of fundraising. We are very close to our next milestone of \$10000 - who will be nominated next?

Are you Fundraising?

Currently we're still a long way from our goal, so we need everyone to pull together to help. The easiest way to help your child raise money is to create a student profile page and share your online fundraising link via SMS, Email and Social Media. Go to [toschoolfunrun.com.au](http://toschoolfunrun.com.au).

If you are currently fundraising, THANK YOU! We hope you will continue to share your link and fundraising for the school.
